

The background is a vibrant green field with a repeating pattern of various fruits including pineapples, watermelon slices, lemons, and strawberries. In the center, a green mound shaped like a mint leaf serves as a base for the 'Mint Lounge' logo. The logo features the word 'Mint' in a large, white, sans-serif font, with a small green leaf icon above the 'i', and the word 'Lounge' in a smaller, white, sans-serif font below it. A small green butterfly is perched on the top left of the mint leaf mound. Below the mound, the words 'KIDS MENU' are written in a large, white, playful, hand-drawn font with a slight shadow effect. At the bottom left, there is a simple line drawing of a girl with black hair, wearing a white dress with a black heart on the chest, and her arms are raised in a happy gesture. At the bottom right, there is a simple line drawing of a boy with curly black hair, wearing a striped shirt and white shorts, with his arms raised. Several small white butterflies are scattered throughout the green field.
